

## **FREE Laboratory Biosafety and Biosecurity Training Offered by the Public Health Agency of Canada**

**ATTENTION all Science workers! Are you interested in advancing your knowledge of biosafety and biosecurity in the workplace?**

- The Public Health Agency of Canada (PHAC) has a **NEW** e-learning portal with access to a number of **FREE** online modules in Laboratory Biosafety and Biosecurity.

**You can do this online through the PHACs new e-learning portal**

1. Go to <https://training-formation.phac-aspc.gc.ca/>
2. Login or select **Create new account**.
3. Once logged in select the courses tab along the top.
4. Select the courses you are interested in and begin!

**Note:** Once complete, print or save your certificates for your records.

Questions regarding the e-learning portal: Send an email to [lms.sga@phac-aspc.gc.ca](mailto:lms.sga@phac-aspc.gc.ca).

For general inquiries contact your CUPE 4207 Health and Safety Officers.
