Re: Negotiations update

Date: June 3, 2015

After a short day of negotiations today it was clear a deal was not going to be reached therefore, we need to move forward with our next steps in the negotiations process:

1. Call membership meetings to update the membership on negotiations and next steps, on Tuesday, June 9th at 12:10 and 1:10pm, Academic South 203
2. Be placed in Provincial Responsibility for Negotiations, request pending
3. Apply for conciliation with the Ministry of Labour, a process where a third party assists the Union and the University with negotiations to reach an agreement
4. Take a strike vote in order for the members to demonstrate their support for our bargaining positions, to occur THURSDAY, JUNE 11, 2015 from 8:30am to 4:30pm, location TBA

We will be working towards finalizing a meeting location for next Tuesday today and will ensure the information is out on the details by tomorrow, at the latest.

If you have any questions about negotiations please direct them to Debi Rideout or Norm Westbury.

In solidarity,

Karl Dean, OSSTF Provincial Negotiator

Debi Rideout, Chief Negotiator
