Dear CNI,

Your newly elected Bargaining Committee (Monica, Rebecca, Darlene, and Phil- CUPE 4207 President) had a productive day learning about the collective bargaining process. The Committee will be meeting on May 23 to formulate an online **Bargaining Survey** for you to complete. Expect to receive the Survey soon after May 23rd. The Bargaining Survey results will provide the committee with a better picture of what the priorities of the Membership are.

A Unit 4 Bargaining section has been created on the CUPE 4207 website (4207.cupe.ca) to keep you updated:

In Solidarity,
